## MAX & EDWARD MADE PB'S IN ALL DISTANCES!

130 skaters from 27 countries were skating for the European Champions titles. Victor An from Russia & Jorien ter Mors from Netherlands are the CHAMPIONS!

**Max** made a great job! He started with names like Elistratov, Kerstholt , Lepape & Seifert. The new PB's and also the new Luxembourg National records are now:

**500m 46.532**      **1000m 1:36.730**      **1500m 2:34.488**

(special thanks to Sweden's coach Daniel Jansson for his coaching during the Championships and excellent technical support)

Beneluxcup 2 in Eindhoven was for Edward a success. He took also new PB's home:

**333m 43,98**      **500m 1:06.57**      **777m 1:55.86**

In **Division A** in Eindhoven **Peter** took a nice fifth position and **Caroline** took position sixth.

Thanks to all skaters for the superb work and we wish good luck for our girls for the Starclass 6 (NC) competition in BORMIO next weekend!
